LONG-TERM CARE | RETAIL | OUTPATIENT | SPECIALTY

ORDER VERIFICATION | MEDICATION SAFETY | TEAM SUPERVISION

Registered pharmacist with 25+ years in pharmacy practice, including 15 years as a supervising pharmacist verifying orders for interactions, allergies, and duplicate therapy in a high-volume, regulated pharmacy. Brings a decade of reviewing complex regimens for medically complex patients, monitoring therapy with lab results, and training teams to follow protocols consistently.

HOW I MEET YOUR REQUIREMENTS	
ORDER VERIFICATION	15 years verifying orders for interactions, allergies, duplicates, and dosing.
TEAM SUPERVISION	Supervised pharmacists, technicians, and staff; owned workflow and quality.
THERAPY MONITORING	Used lab results and symptoms to assess effectiveness and recommend changes.
COMPLEX REGIMENS	Reviewed multi-drug and supplement regimens for medically complex patients.
REGULATORY COMPLIANCE	Turned state, federal, and payer rules into procedures and training.
PATIENT COUNSELING	Adapted complex medication information to each patient and caregiver.

Professional Experience

INFINITE HEALTH PLLC / HEALTHY KIDS, HAPPY MOMS

2015 - MAY 2026 | CHARLOTTE, NC

Integrative Pharmacist, Clinical Education and Healthcare Strategy
Practice Development Lead

- Reviewed complex medication and supplement regimens for interactions, allergies, duplications, and appropriateness, often for medically complex patients on multiple therapies.
- Used lab results and patient-reported symptoms to monitor therapy effectiveness and recommend adjustments to the physician.
- Managed medication and lab authorizations and coverage barriers, coordinating patients, prescribers, labs, and pharmacies.
- Built the practice's clinical systems, protocols, and documentation standards, and trained staff and practitioners to apply them consistently.
- Led three twice-monthly practitioner mentorship cohorts for MDs, DOs, and NPs on medication and supplement education.

Professional Experience

CONTINUED

INFINITE HEALTH (CONTINUED)
2015 - MAY 2026

- Co-developed a private-label supplement line generating approximately **$360,000 annually**, including supplier oversight, batch Certificate of Analysis review, and lot records.
- Escalated an evidence-based efficacy concern about a reformulated product; the manufacturer restored the more effective prior formula.

TRANSFORMATION ENZYME CORPORATION
2014 - 2015

Clinical Education and Provider Support Specialist

- Built and delivered national clinician training that translated enzyme and nutrition science into practical guidance.

TARGET PHARMACY
1998 - 2013 | CHARLOTTE, NC

Supervising Pharmacist | Pharmacist

- Supervising pharmacist for 15 years in a high-volume, highly regulated pharmacy; verified every order for drug interactions, allergies, duplicate therapy, dosing, and appropriateness.
- Supervised pharmacists, technicians, and support staff; owned workflow, staffing, scheduling, inventory, quality, and compliance.
- Resolved prior authorizations and Medicaid claim rejections, reviewing covered alternatives with prescribers and explaining options to patients.
- Opened and operationalized the Stonecrest Target pharmacy: staffing plan, systems, workflows, and service standards.
- Translated changing state, federal, and third-party regulatory requirements into clear procedures and team training.

WEGMANS FOOD MARKETS
1994 - 1997

WHAT I BRING TO YOUR TEAM

Careful order verification, steady team leadership, and clear communication with nurses, prescribers, and patients.

Deborah M. Burke-Allen, RPh

REGISTERED PHARMACIST | NC LICENSE #14013 (ISSUED UNDER DEBORAH M. ALLEN)

Clinical and Dispensing Pharmacy

LONG-TERM CARE | RETAIL | OUTPATIENT | SPECIALTY

Why Deborah Fits Clinical and Dispensing Pharmacy Roles

Registered pharmacist with 25+ years in pharmacy practice, including 15 years as a supervising pharmacist verifying every order for interactions, allergies, and duplicate therapy. She adds a decade of reviewing complex regimens, monitoring therapy with lab results, and training teams to follow protocols consistently.

25+ YEARS	15 YEARS	10+ YEARS	ACTIVE RPH
pharmacy practice	supervising pharmacist	complex regimen review	NC #14013, under Deborah M. Allen

Typical Responsibilities: How Deborah Delivers

ORDER VERIFICATION AND MEDICATION SAFETY

Verify orders for interactions, allergies, duplicate therapy, and dosing	DIRECT EVIDENCE Supervising pharmacist for 15 years at Target, checking every order for drug interactions, allergies, duplicate therapy, dose, and appropriateness in a high-volume, highly regulated pharmacy.
Accurate dispensing in a fast-paced workflow	DIRECT EVIDENCE Owned dispensing workflow, final checks, inventory, and quality, and opened and operationalized the Stonecrest Target pharmacy, including staffing, systems, and service standards.
Monitor labs and clinical response to therapy	DIRECT EVIDENCE Used lab results and patient-reported symptoms for a decade at Infinite Health to monitor therapy and recommend adjustments to the physician.

TEAM LEADERSHIP AND CARE COORDINATION

Supervise technicians and support staff	DIRECT EVIDENCE Supervised pharmacists, technicians, and support staff for 15 years, handling scheduling, training, workflow, and performance.
Communicate with prescribers, nurses, and patients	DIRECT EVIDENCE Worked with prescribers on prior authorizations, Medicaid rejections, and covered alternatives for 15 years, and counseled patients on medications and over-the-counter products.

Deborah M. Burke-Allen, RPh

CLINICAL PHARMACY

Responsibilities: How Deborah Delivers (continued)

Regulatory compliance and documentation	DIRECT EVIDENCE Translated changing state, federal, and third-party requirements into clear procedures and team training, and built documentation standards for an integrative medical practice.

Common Qualifications: Met and Exceeded

Pharmacy degree and active North Carolina pharmacist license	DIRECT EVIDENCE Bachelor of Science in Pharmacy, Albany College of Pharmacy and Health Sciences. Active NC RPh license #14013 (issued under Deborah M. Allen).
Experience with older adults and complex regimens	EXCEEDS REQUIREMENT Presented integrative pharmacy education at the AHEC Gerontology Conference (2019) and spent a decade reviewing complex medication and supplement regimens for patients on many therapies at once.
Leadership in a high-volume pharmacy	EXCEEDS REQUIREMENT Fifteen years as a supervising pharmacist, plus opening a new Target pharmacy location from staffing plan to service standards.
Sterile compounding or IV admixture (some roles)	QUALIFICATION CONTEXT Has not yet performed IV admixture. Brings 25+ years of precise dispensing, verification, and quality control, and is eager to complete sterile compounding training.

What Deborah Brings to Your Team

- Careful, consistent order verification built over 15 years as a supervising pharmacist.
- Steady technician leadership and a calm, organized workflow on busy shifts.
- Clear communication with nurses and prescribers when an order needs a change.
- A fast learner who grows with the team and its systems.
