PRIOR AUTHORIZATION | DRUG UTILIZATION REVIEW | MEDICAID

Registered pharmacist with 25+ years in healthcare and an active North Carolina license. For 15 years in high-volume pharmacy practice, performed drug utilization review on every prescription and resolved prior authorizations, Medicaid claim rejections, and formulary alternatives with prescribers and patients. Then managed medication and lab authorizations, clinical documentation, and care coordination in an integrative practice, weighing how each therapy acts across the body's interconnected systems.

HOW I MEET YOUR REQUIREMENTS	
PRIOR AUTHORIZATION	15 years resolving prior authorizations and claim rejections.
MEDICAID COVERAGE	Worked Medicaid and commercial coverage and claim rules.
FORMULARY OPTIONS	Kept patients on therapy with covered alternatives.
DOCUMENTATION	Wrote clinical documentation standards and protocols.
DRUG UTILIZATION REVIEW (DUR)	Reviewed every prescription for safety and interactions.
CLINICAL RESOURCES	UpToDate, Lexidrug, Natural Medicines, and PubMed.

Professional Experience

INFINITE HEALTH PLLC / HEALTHY KIDS, HAPPY MOMS

2015 - MAY 2026 | CHARLOTTE, NC

Integrative Pharmacist, Clinical Education and Healthcare Strategy
Practice Development Lead

- Managed medication and lab authorizations, coverage barriers, and supporting clinical documentation, coordinating patients, practitioners, labs, and pharmacies so care was approved and carried out.
- Led cross-functional projects that built the practice's clinical operating model: membership enrollment, Zoom orientation, and structured intake (2016 onward), onboarding, lab ordering and tracking, virtual visits, and follow-up.
- Led selection and implementation of Elation EHR and Hint as an early adopter, integrating lab portals and Zoom; the virtual workflows enabled a rapid move to fully virtual care.
- Wrote the practice's documentation standards, protocols, and training resources.
- Led development and scaling of a private-label supplement line generating approximately **$360,000 annually**, overseeing vendors and suppliers, Certificate of Analysis review, quality, and demand forecasting.
- Educated practitioners, patients, and families on functional and traditional laboratory testing, translating complex results into clear explanations and practical next steps.
- Led three twice-monthly practitioner mentorship cohorts for MDs, DOs, and NPs: case review, test interpretation, templates, and clinic strategy.

U.S. Department of Veterans Affairs - Pediatric Immune Resilience for clinicians

WHAT I BRING TO YOUR TEAM

Accurate, efficient clinical review and clear communication with prescribers and members, grounded in 15 years on the front line of coverage.

Deborah M. Burke-Allen, RPh

REGISTERED PHARMACIST | NC LICENSE #14013 (ISSUED UNDER DEBORAH M. ALLEN)

Managed Care and Pharmacy Benefits

PRIOR AUTHORIZATION | PBM | HEALTH PLAN | MEDICAID

Why Deborah Fits Managed Care and Pharmacy Benefits Roles

Registered pharmacist with 25+ years in pharmacy practice who knows how pharmacy benefits play out for members: 15 years of drug utilization review, prior authorizations, Medicaid rejections, and formulary alternatives in high-volume practice, then a decade managing authorizations, clinical documentation, and care coordination in an integrative practice. Her clinical review weighs how each medication acts across the body's systems.

25+ YEARS	15 YEARS	10+ YEARS	ACTIVE RPH
pharmacy practice	prior authorization and claims	clinical workflow design	NC #14013, under Deborah M. Allen

Typical Responsibilities: How Deborah Delivers

CLINICAL REVIEW AND COVERAGE

Review prior authorization requests against clinical criteria

DIRECT EVIDENCE

Resolved prior authorizations and Medicaid claim rejections for 15 years, reviewing covered alternatives with prescribers, and managed medication and lab authorizations at Infinite Health.

Recommend formulary alternatives

DIRECT EVIDENCE

Reviewed covered formulary alternatives with prescribers and explained options to patients so they stayed on therapy.

Accurate, efficient case handling

DIRECT EVIDENCE

Performed drug utilization review (DUR) on every prescription for 15 years in a high-volume, regulated pharmacy.

DOCUMENTATION, COMMUNICATION, AND OPERATIONS

Clear clinical documentation

DIRECT EVIDENCE

Developed protocol guides, onboarding materials, and training resources, and co-designed the practice's structured intake.

Clear communication with prescribers and members

DIRECT EVIDENCE

Worked with prescribers and patients on coverage decisions for 15 years; presented to physicians, families, and national audiences.

Process improvement and systems

RELEVANT EXPERIENCE

Led cross-functional projects that built the practice's clinical operating model and led the Elation EHR and Hint implementation that moved care fully online.

Deborah M. Burke-Allen, RPh

MANAGED CARE AND PBM

Common Qualifications: Met and Exceeded

Pharmacy degree and an active pharmacist license	DIRECT EVIDENCE Bachelor of Science in Pharmacy, Albany College of Pharmacy and Health Sciences. Active North Carolina RPh license #14013, issued under Deborah M. Allen.
Working knowledge of Medicaid and commercial coverage	DIRECT EVIDENCE Fifteen years working Medicaid and commercial claim rejections, prior authorizations, and covered alternatives with prescribers and patients.
Experience inside a PBM or health plan	QUALIFICATION CONTEXT Brings 25+ years on the pharmacy side of PBM and plan decisions and the member experience they create, and is ready to learn plan-side utilization management systems and criteria quickly.
Clinical references and new technology	EXCEEDS REQUIREMENT Long-time UpToDate, Lexidrug, and PubMed user; works in Microsoft Excel and Office; led an EHR implementation; uses AI tools with every output verified against primary sources.

What Deborah Brings to Your Team

- Fifteen years of front-line prior authorization, drug utilization review, and Medicaid experience.
- Accurate, consistent clinical review with clear documentation.
- Calm, clear communication with prescribers and members on the phone.
- Workflow and process skills that help a team move cases faster.
